

ABOUT US

Linkitall, LLC (LIA) is a business consulting firm specializing in providing essential IT. We are an 8(a) small business with SDVOSB, and EDWOSB certifications. LIA exists to be the ‘hub’ between Human Resources and Information Technology solutions. Our clients include private industry and federal government agencies. We provide services that enhance HR processes by leveraging mission-critical technology. LIA provides innovative technology solutions to enhance efficiencies for complex processes, develop mobility tools for the remote workforce, and enhance organizations’ information security posture. We provide the best expertise to design innovative programs, enhance management processes and efficiently manage your administrative activities. LIA’s headquarters is in Fredericksburg, VA. currently operating in 7 states.
